

Kelun Pharmaceuticals

- Founded in 1996, with over 100 subsidiaries worldwide
- Kelun Pharmaceuticals is a publicly traded company (Shenzhen, stock code: 002422)
- Among the top 10 Chinese pharmaceutical companies with a revenue exceeding 6 billion USD in 2018

Kelun Pharmaceutical Research Institute

- Over 2,000 R&D scientists, headquartered in Chengdu, China with satellite research centers in Tianjin, Suzhou, and New Jersey
- Programs include innovative small molecules and biologics, generics, and new drug delivery systems
- Focusing on cancer, diabetes, liver diseases, CNS, cardiovascular and autoimmune diseases, etc.

Kelun-Biotech Biopharmaceutical Co.

- A subsidiary of Kelun Pharmaceuticals established in 2016, focusing on innovative small molecules and biologics
- Pipeline with 45 innovative small-molecule drug programs and 40 biological programs, including mAb, bispecific Ab, ADC, etc.

KLUS Pharma (Kelun US)

- A subsidiary of Kelun Pharmaceuticals and founded in 2016. Based in Cranbury, NJ
- Three functional divisions: R&D, clinical research, and business development
- Focuses on biologics drug discovery & development

Biologics	Location
Vice President, Biologics R&D	Chengdu, China
Vice President, Biologics Manufacturing	Chengdu, China
Vice President, Quality	Chengdu, China
Director, Drug Discovery-Phase Display & Bispecific Ab	Chengdu, China
Director, Process-Cell Culture/Purification/Formulation	Chengdu, China
Director, Cell Therapy R&D	Chengdu, China
Director, Oncolytic Virus R&D	Chengdu, China
Director, Biologics Quality Assurance	Chengdu, China
Director, Cell Therapy Manufacturing (QC/QA)	Chengdu, China
Director, Regulatory Affairs	Chengdu, China
Director, Antibody Engineering	New Jersey, US
Director, Bioassay	New Jersey, US
Director, BD	New Jersey, US

Innovative Small Molecule	Location
Vice President, Small Molecules R&D	Chengdu, China
Director, Medicinal Chemistry	Chengdu & Suzhou, China New Jersey, US
Director, Computational Chemistry	Chengdu & Suzhou, China New Jersey, US
Director, Toxicology	Chengdu, China
Director, Bioanalytics	Chengdu, China
Director, Innovative Process	Chengdu, China
Director, BD	Chengdu, China

Clinical	Location
Director, Medical Science	Chengdu & Shanghai, China
Director, Data Management	Chengdu, China
Director, Project Management	Chengdu, China
Director, Biostatistics	Chengdu, China
Director, Statistical Programming	Chengdu, China
Director, Pharmacovigilance	Chengdu & Shanghai, China
Director, Registration and Medical Writing	Chengdu, China
Director, Pharmacology	Chengdu, China
Director, Operation	Chengdu, China
Director, Operational Quality Control	Chengdu, China
Director, Database Design	Chengdu, China

Generic Drugs	Location
Vice President, Generic Drugs R&D	Chengdu, China
Vice President, Formulation - Oral Dosage	Chengdu, China
Vice President, Formulation - Injectables	Chengdu, China
VP, NDDS	Chengdu, China
Vice President, Branch-Tianjin or Suzhou	Tianjin & Suzhou, China
Director, IV- Powder and Liquid Dual-Chamber Bag	Chengdu, China
Director, Crystallization Process	Chengdu, China
Director, IV Packaging	Chengdu, China
Director, IV Lipid	Chengdu, China
Director, Peptide Process and Purification	Chengdu, China
Director, Inhalants and Transdermal Drug Delivery	Chengdu, China
